63		ITEMS FOR STUDY in 2012-2013 to IMPLEMENT in 2013-2014:								
64										
		Evaluate alternatives to MCPS summer								
65		programs delivery system								
		Analyze Middle School scheduling model for								
66		possible cost savings								
		Analyze High School scheduling model for								
67		possible cost savings								
		Evaluate establishing a Virtual Academy to								
		enhance course offerings and the efficiency								
68		of delivery								
		Analysis of software for standardization and								
69		possible cost savings								
		Analyze outsourcing services (custodial,								
70		transportation, nurses).								
		Analyze sick leave bank for possible cost								
71		savings								
		Evaluate extended year contracts based on								
72		necessity of services								
		After relocation to County Government								
		Center Bldg. C, study Central Office for								
		reorganization (functions, staffing, shared								
73		services)								
		Study change to length of school year (-10								
		days and increase length of school day) -								
74		Gloucester School Division model
